LETTER FROM FAUQUIER.
[Correspondence of the Alexandria Gazette.]
ORLEAN, Va., Feb. 1.—Mr. John El-
lis, a worthy citizen, was buried just
one week ago. His brother, James El-
lis, who came from Alexandria about
three weeks since to see his sick brother,
died last night about nine o'clock
and will be buried to-morrow. Mr.
John Ellis leaves a wife and two chil-
dren. Mr. James Ellis was unmarried.
Both of them were model citizens and
were held in high esteem by all who
knew them. Mr. William Barbee, an-
other good citizen and neighbor, died
on Sunday and was buried to-day. Mr.
Barbee served through the late war as
a member of Stribling's battery and
made as good a soldier as he was a citi-
zen. He, too, leaves a wife and one
child.

During this writing the news comes
that Nellie Ellis, the youngest daughter
of Mr. John Ellis, has made two or
three attempts at self destruction by
eating the heads of matches, owing to
her poignant grief at the death of her
father.
Mrs. Sarah E. Templeman, widow of
Mr. Leroy Templeman, is now suffering
with a stroke of paralysis, and her phy-
sician, Dr. Buck, has despaired of her
recovery. The pneumonia and grip are
playing sad havoc in our community
and our physicians, Drs. Buck and
Rudisill, have been keeping day and
night to relieve the suffering. Dr.
Buck, who was worn out by constant
going in now, we are glad to state, visit-
ing his numerous patients.

Those of our farmers who failed to
get ice on the last cold snap have in the
last few days filled their ice houses
with ice ranging from six to eight
inches in thickness.
Mr. Burnett Sutphin, another one of
our aged citizens, passed away a few
days since at the ripe old age of 90
years. All of these deaths have oc-
curred within a radius of two miles of
our village.

OLD ASSOCIATIONS.—When Dowager
Empress Frederick went to Prussia
after her marriage with the Crown
Prince of Prussia she was exceedingly
happy to find at Babelsberg, which was
given as a residence to her husband, a
room the exact counterpart of her
former room at the Castle of Windsor.
Everything in it, even to the pictures
on the wall, was copied exactly, the
only exception being that, looking out
of the windows, the lakes of the Havel
had taken the place of the majestic
Solent or Bay of Southampton. Prin-
cess Maud, of England, who has just
arrived in Denmark with her husband,
Prince Carl, has been similarly sur-
prised by her loving husband. A
room in her new residence is fitted up
exactly like the room she last occupied
at Sandringham. She felt very happy
at the surprise, and all the souvenirs of
her girlhood in England have found a
place in this room. She also brought
with her from England her three pet
dogs, one of which is always in her
presence. She did not like the idea of
leaving England for good, but greatly
appreciates the efforts of her husband
and his family to make her happy at
her new home.

The True Remedy.
W. M. Repine, editor Tiskilwa, Ill.,
"Chief," says: "We won't keep house
without Dr. King's New Discovery for
Consumption, Coughs, and Colds.
Experimented with many others, but
never got the true remedy until we
used Dr. King's New Discovery. No
other remedy can take its place in our
home, as in it we have a certain and
sure cure for Coughs, Colds, Whooping
Cough, etc." It is idle to experiment
with other remedies, even if they are
urged on you as just as good as Dr.
King's New Discovery. They are not
as good, because this remedy has a re-
cord of cures and besides is guaranteed.
It never fails to satisfy. Trial bottles
free at E. L. Allen's Drug Store.

For Your Protection.—Catarrh "cures"
in liquid form to be taken internally, usually
contain Mercury or Iodine of Potassa, or both,
which are injurious if too long taken. Cat-
arrh is a local, not a blood disease, caused
by cold and damp weather. It starts in the
nasal passages. Cold in the head, if rep-
tely neglected, results in catarrh. Ely's Cream
Balm is the acknowledged cure for these
troubles and contains no mercury nor any in-
jurious drug.

For Over Fifty Years.—Mrs
Winslow's Soothing Syrup has been used for
over fifty years by millions of mothers for
their children while teething, with perfect
success. It soothes the child, softens the gums,
allays all pain, cures wind colic, and is the
best remedy for Diarrhoea. Is pleasant to the
taste. Sold by Druggists in every part of the
world. Twenty-five cents a bottle. Its value
is incalculable. Be sure and ask for Mrs. Win-
slow's Soothing Syrup and take no other kind.

THE BRADLEY-MARTIN TRAIL.—A dis-
patch from New York says various changes
will be made in the fittings of the rooms at
the Waldorf that are to be used for the Brad-
ley-Martin fancy dress ball next Wednesday
night. The furniture of the men's cafe and
winter garden will be replaced with furniture
of white and gold, and the small ballroom
where Mrs. Bradley-Martin will receive is to
be hung with tapestries. The Eden Musee
Hungarian Band will be stationed in the bal-
cony in this room. The floral decorations
will be the daintiest possible. Pale pink roses
and orchids will be used in the ballroom, and
irregular Louis XVI garlands will be swung
from the mirrors. Mrs. James P. Kernahan
has arranged to enter the ballroom in stately
fashion seated in a sedan chair. Four of her
own servants, appropriately costumed, will
carry the chair, and when she alights the en-
trance of Queen Maria Theresa will be an-
nounced. The gown will be of superb pink
brocade, edged by a lavish display of dia-
monds. Mrs. Astor will imitate the costume
in her own portrait as painted by Carolus
Duran. The dress is like that worn by the
spouses of the Doges of Venice. It is of rich
blue velvet, embellished with gold braid. The
half low neck is cut rounded and has from it
a fall of Venetian lace. The same lace is
turned back on the elbow sleeves. There is
a gold lacing across the front of the corsage.
A pearl-pointed headpiece completes the cos-
tume.

A \$40,000 RAIN.—"A \$40,000 rain" was
what they called it at the City Hall yesterday.
Monday night the city council appropriated
that amount to remove the snow and ice from
the streets. Each councilman was to appoint
ten special street cleaners from his ward to
help in the absorption of the \$40,000. It was
a nice arrangement and might have been
resulted in the removal of the snow and ice if
Mayor Hooper had signed the measure. Now,
however, the mayor will not have to consider
whether he will sign or not for the rain
came along and washed all the snow away.
That is why those at the City Hall call it a
"\$40,000 rain."—Baltimore Sun.
